**Re: Zoning Amendment 310/320 Hunt Road**  
**Folder Number: RZ000042**  
**Applicant: Metropolitan Capital Partners Inc.**

To Whom It May Concern,

This letter is provided to you in support of the proposed zoning amendment and development proposal for the property(s) located at 310 / 320 Hunt Road, Courtenay, BC, for building a 93-unit limited-service Hotel.

The proposed development would provide significant economic benefit to the City, and provide increased short and long term employment opportunities in the region, during both the construction process and the operation of the facility following construction.

The Hotel is designed to be energy efficient and will provide high quality accommodation, from a top tier brand. The design, in my opinion, adds to the development of Ryan Road, and shall allow greater opportunity to promote tourism in the region, and further promote our beautiful city and surrounding areas.

Sincerely,
