Subject: 310 Hunt Rd.

I live on Tunner Dr. And walk by this area almost daily. I am concerned with the amount of vehicles for a 93 unit hotel plus staff of 47, that will have to leave Hunt St onto Ryan Rd. (Without benefit of a light). A far better location would be the big parking lot(s), beside the Superstore, where traffic would be funnelled through the light. Being new to the community, I am woefully ignorant as to what considerations have been addressed to date so forgive me if this has already been considered.

Thank you,
Sincerely,
Margaret Parsons
