Subject: 3040 Kilpatrick Ave

Dear Mayor and Council,

My name is Joeseph Gordon. I own a unit in Newport Building 1 at 3070 Kilpatrick. I live and work in Courtenay. I am writing to you today regarding the development project on Kilpatrick Avenue. I am in full support of this development.

There are already other apartments in the area, so it fits with the neighbourhood.

We need a wider variety of housing in the Courtenay area, and the proposed project will help fill the gap.

I hope that you support this development to go ahead Sincerely, Joe Gordon
