Subject: 1236 Malahat drive

I am definitely opposed to this home opening up to more people, vehicles. This street is already a drag race strip for those wishing to get around Ryan rd. Anymore parking on the street (which WILL happen, it's already happening with other homes on this road), the owners cannot completely assure us parking will not spill onto the street...it's only a matter of time before there's an accident. We have blind corners and hills. NO development at this property!!!

Thank you
Lily Lacroix
