Subject: Newport Village rezoning application

Importance: High

Dear Mayor and other Council members,

I have been a property owner in the first Newport Building on Kilpatrick since it opened. I would like to voice my support of the next project at 3040 Kilpatrick Avenue. We need additional housing in Courtenay and this is a great location. It's a great neighborhood near many restaurants and services.

I hope you will support this project.

Thanks,

Michael Noc
